Our Partners & Friends

We are in a good company

Our partnerships have delivered great value to our projects and we're happy to share some of their feedback below

Since 2019, Gravity team has been an astounding market maker for Bitkub. They have proven themselves to be one of the most consistent, committed and driven market makers on our exchange. Gravity Team has contributed high-quality volume and has proven to be very reliable and trustworthy partner. We strongly advocate Gravity Team as they have been an indispensable part of our market-making team.

Co-founder & CEO of Bitkub

Join Gravity Team

Join our community of innovators, problem solvers and owners who apply scientific discovery techniques to make crypto markets a better place for everyone.

As we emphasize it in our name – Gravity Team, we are a team. A team of bright, talented people, each masters of their specialty, curious about the world and eager to solve the new exciting cryptocurrency market problems, build cool stuff and have fun whilst doing so!
